How to Run Your Own Nurse Practitioner Business: A Guide for Success

Rely on Ovid as the trusted solution that transforms research into results

This book serves as an authoritative reference designed for nurse practitioners (NPs), masters and doctoral level students, and administrators interested in developing and managing high-quality, cost-effective, and patient-accessible healthcare in NP settings. The Doctor of Nursing Practice (DNP) Essentials are described in detail, and implications of the practice doctorate are integrated into this comprehensive text designed assist the reader in learning the principles of business management.

The authors delineate the scope and role of the NP, the changing vision of healthcare delivery and its impact on NPs, and an analysis of the impact of statutes and legislation on NP-run practices. The book also provides a review of entrepreneurial models of NP delivery settings.
