Transcultural Nursing Theory and Models: Application in Nursing Education, Practice, and Administration

This volume is the first to examine and promote the application of current, major transcultural nursing (TCN) theory and models and assessment tools in nursing education, practice, and administration. As a comprehensive text for master's and bachelor's level nursing students, it features case studies, care plans, initial role playing exercises, and implications of TCN concepts when planning, implementing and evaluating client care.
