Designed as an easy-to-use and comprehensive reference for the practicing pathologist, Diagnostic Pathology: Soft Tissue is the highly anticipated title in the Diagnostic Pathology series offered by Amirsys®. As readers have come to expect from Amirsys® reference tools, Diagnostic Pathology: Soft Tissue is filled with superior medical images, including gross pathology, a wide range of pathology stains, and detailed medical illustrations. You'll also find essential information on staging and grading of soft tissue tumours, one of the most useful hallmarks of the series. This handsome volume is a veritable one-stop shop for the pathology of soft tissue tumours and their diagnosis.
