Comprehensive Pharmacy Review for NAPLEX provides a complete knowledge base necessary for pharmacy students, instructors, foreign graduates, and professionals to excel in their practices— and be fully equipped to tackle the NAPLEX competency test.

Updated to conform with USP 797 regulations, the text provides expanded coverage of ever-developing areas of practice, including pain management, hepatic disorders, migraines, women's health, prescription dermatologic agents, geriatrics, and pediatrics.

More than 60 chapters—spanning chemistry, pharmaceutics, pharmacology, pharmacy practice, and drug therapy—are presented in outline form for easy use and offer helpful practice questions to aid your study.

Comprehensive Pharmacy Review provides guidelines and tips for taking the NAPLEX, along with the NAPLEX blueprint. Furthermore, it lists the actual competency statements that the National Association of Boards of Pharmacy (NABP) uses in evaluation.
