Implementation Guide to the Safe Patient Handling and Mobility Interprofessional National Standards

This brand new implementation guide works hand in glove with the Safe Patient Handling and Mobility Interprofessional Standards to streamline SPHM program success.

The Implementation Guide gives step-by-step ways to implement each of the eight overarching SPHM Standards, and includes:

- A snapshot introduction that frames today’s practice context and SPHM experiences.
- Numerous detailed ideas and insights for employers and healthcare workers.
- Extensive resources and readings in the latest research, techniques, and methodologies.
- Setting-specific examples of how the Standard can address issues and challenges.
