

Ovid®

## Communication Skills for the Healthcare Professional

Rely on Ovid as the trusted solution that transforms research into results

Intended to supplement the clinical coursework students complete in the first one to two years of all allied health programs, the book uses a broad range of examples, role plays, and scenarios from virtually every healthcare field, enabling both instructors and students to use it as an essential resource for mastering any area-specific communication skill.

Each chapter provides students with objective and short-answer questions to test comprehension of the material, as well as more complex clinical applications that encourage students to develop the critical thinking skills they will need every day as professionals in the healthcare industry.

Publication Year	2011
Edition	1st Ed.
Author/Editor	McCorry, Laurie Kelly; Mason, Jeff
Publisher	Lippincott Williams & Wilkins (LWW)
ISBN	978-1-582-55814-1
