Developed in partnership with The Hip Society, expert insight and practical guidance help you master every technique and make the best decisions for each patient.

Features include:
- More than 150 leading surgeons share wisdom and expertise for more than 70 surgical challenges.
- Strategies and step-by-step guidance from a master of each surgical technique.
- Comprehensive start-to-finish coverage for virtually every challenge you are likely to encounter.
- Guidance on making confident decisions with the latest evidence and the rigorous AAOS peer-review process.
