Plastic Surgery Review: A Study Guide for the In-Service, Written Board, and Maintenance of Certification Exams

This high-yield, compact review book covers all topics that appear on the exams that lead to initial certification and recertification by the American Board of Plastic Surgery.

Topics are presented in outline format to facilitate quick review and recall of information.

Key Features:
- Focuses only on what residents, fellows, and practicing plastic surgeons need to know to score well and pass their exams, helping them make efficient use of study time.
- Written in a style similar to a cheat sheet, with buzzwords, mnemonics, diagrams, drawings, tables, and bullet points.
- Each chapter has been reviewed by experts in plastic surgery, ensuring that the information is current and accurate.

Residents, fellows, and practicing plastic surgeons will find this book to be an invaluable resource throughout their training and careers.
