## Cardiac Surgery Manual for Nurses: Orientation, Policy, and Procedures

Rely on Ovid as the trusted solution that transforms research into results

This policy and procedure book is a valuable resource for new or existing cardiac surgery programs.

This conclusive and well organized book contains the broad spectrum of care of the entire cardiac surgical team, roles and responsibilities and provides support for each procedure in the cardiac surgery environment to include standards of practice, risk management, staffing competencies, and quality indicators to optimize care of the cardiovascular surgery patient.
