This volume in the 5-Minute Consult series focuses on neurological diseases and disorders, as well as key symptoms, signs, and tests - updated for the 2nd edition

Dozens of noted authorities provide tightly organized, practical guidance. Using the famous two-page layout and outline format of the 5-Minute Consult Series, the book provides instant access to clinically-oriented, must-have information on all disorders of the nervous system. Each disease is covered in a consistent, easy-to-follow format: basics (including signs and symptoms), diagnosis, treatment, medications, follow-up, and miscellaneous considerations (including diseases with similar characteristics, pregnancy, synonyms, and ICD coding).
