Get the vital concepts, data, and how-to on medical-surgical nursing with the newly updated 4th edition!

This fun-but-informative guide uses colorful drawings and diagrams to demonstrate the mechanisms and clinical indications of the most common disorders found in each body system—followed by clear-cut direction on assessments, interventions, and evidence-based treatments. An ideal support to class materials and NCLEX® preparation, this is also the perfect on-the-spot refresher for nurses in every kind of medical-surgical practice.
