## Encyclopedia of Applied Animal Behaviour & Welfare

Rely on Ovid as the trusted solution that transforms research into results

The practical focus of this authoritative, comprehensive encyclopedia aims to promote the understanding and improvement of animals' behavior without compromising their welfare.

Under the editorial direction of Professor Daniel Mills, the UK's first specialist in veterinary behavioral medicine, over 100 international experts have contributed a wealth of fully cross-referenced entries from concise definitions to detailed short essays on biological, practical, clinical and ethical aspects of behavior and welfare in domestic, exotic, companion and zoo animals.
