Gorbach’s 5-Minute Infectious Diseases Consult

Using the two-page, templated organization of the 5-Minute Consult series, Gorbach’s 5-Minute Infectious Diseases Consult, Second Edition provides comprehensive coverage for clinicians dealing with infectious diseases.

The two major sections of the book cover chief complaints and individual diseases and disorders. Additional materials include summary information about individual microorganisms as well as numerous elements related to drugs for infectious disorders. A team of international authorities provides actionable information, supported by current research and practice guidelines.
