5-Minute Pediatric Consult, The

The 5-Minute Pediatric Consult provides immediate, practical advice on problems seen in infants, children, and adolescents.

More than 450 diseases are covered in the fast-access two-page outline format that makes The 5-Minute Consult Series titles so popular among busy clinicians. Other features include a Chief Complaints section addressing the workup and treatment of 50 signs and symptoms, plus a medication index, syndromes glossary, surgical glossary, laboratory values, and tables.
