Clinician's Guide to Psychodrama, A

A guide for therapists at any level of experience, offering a step-by-step approach to therapeutic psychodrama

In this update of a popular text, Leveton draws from the works of Moreno, Erickson, Satir, and Perls. She fashions a psychodramatic approach that will help therapists practice more effective group work. New to this edition is material on drama therapy and supervision in institutional settings, with case studies as examples.
