100 Questions & Answers About Pancreatic Cancer

Rely on Ovid as the trusted solution that transforms research into results

Whether you're a newly diagnosed pancreatic cancer patient, a survivor, or a friend or relative of someone with pancreatic cancer, this book offers help

The only text to provide a doctor's and patient's view gives you authoritative, practical answers to your questions about treatment options, post-treatment quality of life, sources of support, and much more. The authors, a medical oncologist and a nurse with 25 years of experience with cancer patients, provide a comprehensive, step-by-step discussion of what you can expect in the diagnosis and treatment of pancreatic cancer, while patient commentaries provide a real-life understanding of what these steps might mean for your day-to-day life. This book is an invaluable resource for anyone coping with the physical and emotional turmoil of this disease.
