Pharmacopoeia of The People's Republic of China:
Volume I

The first volume in an official and authoritative compendium of drugs includes monographs of Chinese materia medica and prepared slice, vegetable oil/fat and extracts, Chinese traditional patent medicines, and single ingredients of Chinese crude drug preparations.

The 3-volume series covers 3,214 drugs, including most traditional Chinese medicines, most western medicines and preparations, giving information on the standards of purity, description, test, dosage, precaution, storage, and the strength for each drug.
