Written by senior faculty at Cook County Hospital, Cook County Manual of Emergency Procedures presents over 100 procedures performed in the emergency department in a templated, bulleted format.

This text is an invaluable guide for the clinician who may confront a wide range of emergencies, both common and less common. Key illustrations guide the reader through topics ranging from airway management to nerve blocks, suturing, splinting, dental emergencies, and ultrasound-guided procedures.

* Authored by Cook County clinicians  
* Procedures presented in a bulleted, step-by-step format  
* Concise, just the facts, presentation of material  
* Many figures taken from Simon & Brenner’s manual, Emergency Procedures and Techniques, with over 110 new figures added
