Stay current on key topics with 10 audio recordings of industry experts offering practical guidance for HR professionals, leaders, professional training and development managers, and anyone managing employees.

Ovid and FX Conferences offer thousands of professional development hours for your teams, conveniently packaged and delivered as a collection of audio recordings to save you time and money.

Each of the 10 recordings consists of a 45-minute, telephone-based presentation delivered by expert international speakers, followed by a 15-minute question-and-answer session (collection available with and without transcripts).
