Instant access to the backfiles - spanning from Volume 1, Issue 1 to issues published in 2008 - of over 60 journals covering critical topics and sub-disciplines in nursing and allied health from one of the world’s most prestigious nursing and medical publishers.

This collection is the archive version of the LWW Nursing and Health Professionals Premier Collection and is a more focused subset of the LWW Extended Archive Collection. It delivers a set of issues for over 60 LWW journals covering a variety of sub-disciplines in nursing and allied health. Institutions can own historical issues of world-renowned journals, saving shelf space and providing researchers and practitioners with deep backfile access to valuable content.

Please note that the Extended Archives (Volume 1, Issue 1 through 2008) of all journals in the collection are also available a la carte (individually).
