Convenient, cost-effective access to over 140 ebooks selected by nurses for students in 2-year nursing programs.

Nursing professionals face many challenges in their mission to improve patient care and, more than ever before, their education on nursing fundamentals is essential to the success of their continuing education, practice, and professional development.

The books in this expansive package - which include titles from the renowned Made Incredibly Easy, Made Incredibly Visual titles, and the popular 5-Minute Consult series - offer the right mix of peer-reviewed, evidence-based electronic resources on the core nursing fundamentals for students - everything from procedures and skills to care plans and more.
