A targeted package of 16 journals - from some of the world's leading nursing publishers - to support healthcare organizations striving to achieve coveted Magnet recognition status from the American Nurses Credentialing Center.

The ANCC's Magnet Recognition Program® is the most prestigious distinction a health care organization can receive for nursing excellence and quality patient outcomes. The ANCC's Magnet Recognition Program® is the most prestigious distinction a health care organization can receive for nursing excellence and quality patient outcomes. ANCC Magnet-recognized organizations will serve as the fount of knowledge and expertise for the delivery of nursing care globally. Magnet-certified institutions are expected to lead the reformation of health care, the discipline of nursing, and care of the patient, family, and community.

Each of the journals in this collection - ideal for hospitals and facilities with limited budgets - supports each of the 5 Magnet Model Components: Transformational Leadership; Structural Empowerment; Exemplary Professional Practice; New Knowledge, Innovations & Improvements; and Empirical Outcomes.

Journals hail from 4 of the world's most prestigious sources of information for nurses: Lippincott, Elsevier, Sage, and the American Association of Critical Care Nurses.
