A targeted package of over 30 journals - from some of the world's leading nursing publishers - to support healthcare organizations striving to achieve coveted Magnet recognition status from the American Nurses Credentialing Center.

The ANCC's Magnet Recognition Program® is the most prestigious distinction a health care organization can receive for nursing excellence and quality patient outcomes. ANCC Magnet-recognized organizations will serve as the fount of knowledge and expertise for the delivery of nursing care globally. Magnet-certified institutions are expected to lead the reformation of health care, the discipline of nursing, and care of the patient, family, and community.

Each of the journals in this collection supports each of the 5 Magnet Model Components: Transformational Leadership; Structural Empowerment; Exemplary Professional Practice; New Knowledge, Innovations & Improvements; and Empirical Outcomes.

Journals hail from 4 of the world's most prestigious sources of information for nurses: Lippincott, Elsevier, Sage, and the American Association of Critical Care Nurses.
