Convenient access to 11 key medical titles in one convenient package.

With the Ovid Biomedical Collection IV, you'll find 11 of the world's top cited medical journals in one convenient package. This is an invaluable resource for any clinician, medical researcher or medical student. Please note that Anaesthesia & Analgesia is only available as part of a collection; it is not available separately.

Powered by Ovid's superior navigation and popular search and linking features, this collection is a fine addition to any clinical or academic institution's electronic offerings.
