Download Factsheet

A cost-effective and comprehensive package of over 30 premium books - all books that make up the Clinical Pharmacy Collection and the Cornerstone Pharmaceutical Sciences Collection.

Clinical Pharmacy Collection:
Covers a range of essential skills and applications, from therapeutics and patient care to ethics and communication skills. You'll find resources for the NAPLEX exam and other end-of-course/end-of-training milestones.

Cornerstone Pharmaceutical Sciences Collection:
Authoritative titles ensure preparedness for clinical coursework with coverage of topics across the Pharmaceutical Sciences, from dosage forms and calculations to pathophysiology and medicinal chemistry.
