This exclusive collection gives you over 80 of today’s top nursing journals used by nurses, nursing students, and health professionals around the world on a daily basis.

We've expanded the collection for 2017 with 5 additional journals!

For institutions exploring electronic journals that meet the needs of their nursing professionals, students, researchers and other professionals, this collection is a perfect solution. It’s a convenient and affordable way to give users access to some of the best titles addressing today’s nursing and allied health topics.

At Ovid we know that quality of care is a top priority and it depends on access to the most current medical research information available. With the LWW Nursing & Health Professions Premier Collection, your organization will benefit from highly respected nursing information from Lippincott Williams & Wilkins.
