Instant access to the backfiles - with Ovid coverage up to issues published in 2012 - of over 50 highly cited journals from one of the world's most prestigious publishers.

Institutions can own historical issues of world-renowned journals with this comprehensive collection, saving shelf space and providing researchers and practitioners with deep backfile access to valuable content.

Please note that the comprehensive archives (through 2012) of all the journals represented in this collection are also available a la carte (individually).
