Exclusive combination of 51 full-text journals from Lippincott Williams & Wilkins PLUS 2 comprehensive bibliographic databases. We've expanded the collection to include over 50 titles!

Available only on the Ovid platform, Ovid Nursing Full Text PLUS is a comprehensive and cost-effective single source of premier current journal content from Lippincott Williams & Wilkins, combined with a powerful proprietary bibliographic tool.

Full Text from Lippincott Williams & Wilkins
- Complete full text, including text and images, of more than 22,000 current articles
- Access to 51 research and practitioner-oriented journals
- Journal coverage dates as far back as 1995 (See list of journals in the What's Included tab)

Ovid Emcare Database
- Over 3,700 international journals indexed and with no embargoes—more than any other nursing database!
- Access to over 1,800 journals not available on other leading nursing databases
- Over 5 million records dating back to 1995
- Up to 250,000 record citations added each year

Ovid Nursing Proprietary Bibliographic Dataset
- 22,000 journal articles
- Over 375,000 bibliographic records from over 400 nursing journals
- Includes links from bibliographic records to relevant full text in Evidence-Based Medicine Reviews (EBMR) and additional full text

Please note that the OR Nurse and LPN journals, as well as the Ovid Nursing propriety database, are only available as part of a collection; they are not available individually.
