Features the current editions of nearly 200 Lippincott Williams Wilkins titles, including top titles such as Kaplan & Sadock’s Comprehensive Textbook of Psychiatry, Cancer Principles and Practice of Oncology, and Lippincott Manual of Nursing Practice.

The collection provides access to leading references texts and handbooks and will be particularly valued by universities and colleges that require unlimited access to premier titles for their students. The collection will also be useful for general and teaching hospitals that require comprehensive coverage of all major medical specialties and subspecialties, as well as medical/surgical and specialty nursing disciplines for their physicians, nurses, and students.
