This unique package includes the contents of the Mental Measurements Yearbook series and the Tests in Print series. The Mental Measurements Yearbook contains full-text reviews of more than 7,500 commercially-available tests in categories such as personality, developmental, behavioral assessment, forensic, neuropsychological, achievement, intelligence and aptitude, educational, speech & hearing, and sensory motor.

Tests in Print serves as a comprehensive bibliography of commercially available tests that are currently in print in the English language. TIP provides vital information about tests to test users including test purpose, intended test population, administration times, scores generated, price, test publisher, in-print status, test acronym, publication date(s), and test author(s).
