LWW Health Library: Advanced Practice Nursing

Supports both the practice and specialty-based areas of the curriculum for nurses working on either their Master of Science in Nursing (MSN) or their Doctor of Nursing Practice (DNP).

Provides single-click access to competency-based content for students working toward certification and nurses already in practice (NPs, MSNs, and DNPs): 29 must-have core textbooks PLUS integrated audio files, clinical assessment videos, and case studies.

Available via LWWHealthLibrary.com, this specialized book/multimedia package is ideal for the students and practitioners.
- Supports practice and specialty-based areas of MSN and DNP curriculums
- Ideal for use in distance-learning MSN and DNP programs
