OTA Online Subscription

OTA Online Trauma Access is a new multi-media, online resource vetted by the Orthopaedic Trauma Association and Wolters Kluwer.

OTA Online provides an easily accessible, central source of authoritative content to help keep orthopaedic surgeons up-to date with the latest in orthopaedic trauma.

This invaluable online resource includes market leading texts from Rockwood & Green Adults and Children (9e), over 200 Procedure and Techniques videos from the OTA, over 400 OTA Annual Meeting videos and captures, industry sponsored content, timely updates, and much more.

Make sure you add this invaluable resource to your library or institution, so that you can continue to provide the highest quality care with the most up-to-date information on the latest orthopaedic trauma advances and research.
