PsycARTICLES®

Rely on Ovid as the trusted solution that transforms research into results

PsycARTICLES is a database of full-text articles from journals published by the American Psychological Association, the APA Educational Publishing Foundation, the Canadian Psychological Association, and Hogrefe Publishing Group.

The database includes all substantive material from the print journals but does not include nonarticle content such as ads, covers, editorial board lists, and the like.

PsycARTICLES is recognized worldwide as a leading full text source for academic, research and practice literature in psychology and related disciplines. Featuring a continuously growing number of significant and highly regarded periodicals, PsycARTICLES is an unmatched resource for information in behavioral science.

PsycARTICLES is the only electronic source for APA's journals and Ovid is the only version supported by the exceptional searching features of Journals@Ovid. You'll have access to the premium psychology content you need through easy-to-use searching tools that help to answer your questions and advance your research.
