Journal of Hospital Medicine

Rely on Ovid as the trusted solution that transforms research into results

The Journal of Hospital Medicine (JHM) is the only peer-reviewed, ISI-indexed research publication devoted to the specialty of hospital medicine.

JHM features evidence-based clinical research and review articles across a diverse range of topics that improve hospital care, solve clinical problems, advocate safety, and instruct on techniques and guidelines for performing research. Our readers consist of physicians and health care professionals involved in patient care, clinical decision-making, teaching, academic research, and administration at institutions and hospitals around the world.
