The official journal of the National Association of Orthopaedic Nurses (NAON), Orthopaedic Nursing is an international journal providing continuing education for orthopaedic nurses.

Focusing on a wide variety of clinical settings - hospital unit, physician's office, ambulatory care centers, emergency room, operating room, rehabilitation facility, community service programs, the client's home, and others – Orthopaedic Nursing provides departmental sections on current events, organizational activities, research, product and drug information, and literature findings. Articles reflect a commitment to professional development and the nursing profession as well as clinical, administrative, academic, and research areas of the orthopaedic specialty.
