JBJS Journal of Orthopaedics for Physician Assistants

Rely on Ovid as the trusted solution that transforms research into results

JBJS JOPA enables PAs and NPs to contribute their unique experiences and perspectives to the orthopaedic literature.

The JBJS Journal of Orthopaedics for Physician Assistants (JOPA) is an academic resource that delivers ongoing orthopaedic education for physician assistants (PAs) and nurse practitioners (NPs) by providing them with a unique forum to share their knowledge and experiences. JOPA publishes clinically relevant content across all orthopaedic subspecialties to advance the knowledge of orthopaedic PAs and NPs.
