## European Journal of Oncology Pharmacy

Rely on Ovid as the trusted solution that transforms research into results

The official journal of the European Society of Oncology Pharmacy (ESOP) is published quarterly and offers a professional communication platform to European oncology pharmacy practitioners.

This open access journal offers insight into the differences and commonalities of oncology pharmacy standards and training, as well as opportunities to learn the unique benefits and advantages from different oncology pharmacy practitioners.

Topics include drug breakthroughs, developments in oncology treatment along with practice guidelines and educational topics which fall within the scope of oncology pharmacy practice.
