

Ovid®

Journal of Cutaneous Immunology and Allergy

Rely on Ovid as the trusted solution that transforms research into results

Journal of Cutaneous Immunology and Allergy (JCIA) publishes high quality peer-reviewed manuscripts covering the entire scope of cutaneous immunology and allergy, from molecular studies to clinical investigations and observations.

As the official journal of the Japanese Society for Cutaneous Immunology and Allergy, it serves as an international forum for the work of all skin researchers and dermatological scientists. JCIA publishes Review articles, Original articles and Letters to the Editor.
