Journal of WOCN (Wound, Ostomy and Continence Nursing) is the official publication of the Wound Ostomy Continence Nurses Society (WOCN).

This international journal provides continuing education for the entire scope of WOC nursing practice. Journal of WOCN is the authoritative resource devoted to the nursing care and management of patients with abdominal stomas, wounds, pressure ulcers, fistulas, vascular ulcers, and incontinence. Original, peer-reviewed articles examine these topics in hospital, home and long-term care settings.
