CONTINUUM: Lifelong Learning in Neurology

Official CME Journal of the American Academy of Neurology

CONTINUUM brings neurologists authoritative information on key topics in clinical neurology. Interactive self-study and self-assessment programs are prepared by world-class faculty, all specialists in their field.

The American Board of Psychiatry and Neurology has reviewed CONTINUUM and has approved this product as part of a comprehensive lifelong learning and self-assessment program, which is mandated by the ABMS as a necessary component of maintenance of certification.

The American Academy of Neurology
