Rated as one of the top ten journals in healthcare administration, Medical Care, the official journal of the Medical Care Section of the American Public Health Association, is devoted to all aspects of the administration and delivery of health care.

Medical Care publishes original, peer-reviewed papers documenting the most current developments in the rapidly changing field of healthcare. This scholarly and timely journal reports on the findings of original investigations into issues related to the research, planning, organization, financing, provision and evaluation of health services.
