Psychosomatic Medicine (journal)

Rely on Ovid as the trusted solution that transforms research into results

Founded in 1939, Psychosomatic Medicine is the official publication of the American Psychosomatic Society.

An international, interdisciplinary journal devoted to experimental and clinical investigation in behavioral biology, psychiatry, psychology, physiology, anthropology, and clinical medicine, the journal publishes experimental and clinical studies dealing with various aspects of the relationships among social, psychological, and behavioral factors and bodily processes in humans and animals. The journal is published nine times a year.
