## Nursing in Critical Care

Rely on Ovid as the trusted solution that transforms research into results

The Journal of the British Association of Critical Care Nurses

Nursing in Critical Care publishes articles on all aspects of critical care nursing practice, research, education and management. This peer-reviewed international Journal is concerned with the whole spectrum of skills, knowledge and attitudes utilised by practitioners in any setting where adults or children, and their families are experiencing critical illness. Such settings encompass general and special hospitals. The Journal is for all those working in the diverse specialities of surgery, medicine, cardiac, renal, neurosciences, haematology, accident and emergency and paediatrics.
