## Journal of Addiction Medicine

Rely on Ovid as the trusted solution that transforms research into results

The Journal of Addiction Medicine, the official journal of the American Society of Addiction Medicine, is a peer-reviewed journal designed to address the needs of the professional practicing in this ever-changing and challenging field.

Under the guidance of an esteemed Editorial Board, the journal covers a wide range of relevant topics including:

- \* Addiction in pregnancy
- \* Adolescent addiction
- \* The drug-exposed neonate
- \* Pharmacology
- \* Neuroimaging techniques
- \* Treatment of special populations
- \* Treatment of addiction-related disorders
- \* Gambling addiction
- \* Pathophysiology of addiction
- \* Biological and non-biological therapies
- \* Issues in graduate medical education
