Retinal Cases and Brief Reports

Rely on Ovid as the trusted solution that transforms research into results

Retinal Cases & Brief Reports is an indispensable journal for any ophthalmologist wishing to hone their diagnostic and therapeutic skills.

Dedicated to publishing peer-reviewed case reports and Brief Reports, Retinal Cases & Brief Reports is brought to you by the same editorial team that publishes RETINA®, The Journal of Retinal and Vitreous Diseases. Here you will find instructive, challenging cases that take you from the initial case presentation and work-up to the differential diagnosis and treatment, concluding with the post-treatment follow-up. Vividly illustrated, Retinal Cases & Brief Reports allows you to learn from acknowledged experts in the field, and is an invaluable tool for any practicing ophthalmologist.
