Journal of Emergency Nursing

Rely on Ovid as the trusted solution that transforms research into results

The Journal of Emergency Nursing is highly acclaimed by emergency nurses, nurse managers and emergency departments.

As the official peer-reviewed journal of the Emergency Nurses Association (ENA), the Journal of Emergency Nursing reaches the greatest number of emergency nurses, emergency/trauma departments and emergency department managers of any journal. The journal is always expanding its coverage of the practice and professional issues, based on current evidence, that challenge emergency nurses every day. It features original research and updates from the field.
