Official journal of the Society of Gastroenterology Nurses and Associates

Gastroenterology Nursing: The Official Leader in Science and Practice delivers the information nurses need to stay ahead in this specialty. The journal keeps gastroenterology nurses and associates informed of the latest developments in research, evidence-based practice techniques, equipment, diagnostics, and therapy. The only professional, peer-reviewed nursing journal covering this area, Gastroenterology Nursing is an invaluable resource for current SGNA guidelines, new GI procedures, pharmacology, career development, and certification review. Its lively editorial style and illustrations make the journal a pleasure to read and consult.
