Rely on Ovid as the trusted solution that transforms research into results

The professional, contemporary journal serving the educational and communication needs of home care and hospice nurses

The journal is highly interactive and timely, focusing on the multidimensional, interdisciplinary and specialty practice areas of home care nursing. Clinical, operational, and educational home care nursing issues are the core of the publication; plentiful columns and features focus on practical, up-to-date approaches to everyday situations, as well as analysis and interpretation of how healthcare trends affect the home care nurse's practice.
