Journal of Evidence-Based Dental Practice, The

Rely on Ovid as the trusted solution that transforms research into results

The Journal of Evidence-Based Dental Practice presents timely original articles, as well as reviews of articles on the results and outcomes of clinical procedures and treatment.

The Journal of Evidence-Based Dental Practice advocates the use or rejection of a procedure based on solid, clinical evidence found in literature. The Journal's dynamic operating principles are explicitness in process and objectives, publication of the highest-quality reviews and original articles, and an emphasis on objectivity.
