Here's a multidisciplinary journal for cancer surgeons, radiation oncologists, medical oncologists, GYN oncologists, and pediatric oncologists.

The emphasis of AJCO is on combined modality multidisciplinary loco-regional management of cancer. The journal also gives emphasis to translational research, outcome studies, and cost utility analyses, and includes opinion pieces and review articles.

The editorial board includes a large number of distinguished surgeons, radiation oncologists, medical oncologists, GYN oncologists, pediatric oncologists, and others who are internationally recognized for expertise in their fields.

Archives are available for purchase.
